

TRAVEL TO TURKEY

Please note that in accordance with the guide published by the Directorate General of Civil Aviation, certain flight restrictions apply for arrivals to Turkey. Passengers are required to obey the conditions below.

- As of December 30, 2020, passengers arriving in Turkey are required to submit a negative PCR test (nucleic acid). The sample for the test must have been taken within 72 hours prior to the passenger's scheduled departure from the country of origin. This applies to all passengers aged 6 years and over, except sailors and transit passengers. The PCR test application will continue until April 14, 2021.
- International Passengers who will arrive to Turkey as of 15th of March 2021 GMT+3 (not including transit passengers and passengers under of age 6) are required to fill in the Turkey Entrance Form which can be obtained [here](#) within 72 hours of their departure. Print out or the mobile screenshot of the filled form will have to be submitted to airline crew before boarding.
- All passengers are required to wear masks at the airport and during the flights.
- All passengers must complete the passenger information form when arriving to Turkey.
- All passengers and airline crew will undergo a medical examination and those showing symptoms will have tests performed.

Passengers who visited Brazil, United Kingdom, Denmark and South Africa within the last 10 days and arriving to Turkey:

- Arrivals to Turkey from Brazil, United Kingdom, Denmark and South Africa are suspended.
- All passengers arriving Turkey from other countries who visited Brazil, United Kingdom, Denmark and South Africa within the last 10 days will be quarantined for 14 days at places selected by the Turkish official authorities following their arrival. On the 10th day of the quarantine period, passengers are required to undergo a second PCR test and if the test result is negative, the isolation period will end.
- Passengers of 6 years and older who visited the aforementioned countries and arriving Turkey are required, before boarding, to submit a negative PCR test result with a sample collected within the last 72-hours prior to departure.

The personal HES code is mandatory only for the domestic flights. Foreign passengers are not required to obtain a HES code.
