

Robotics

Attachment 3:

Nomenklatura

Index of product and services

Aplikacijske komponente za industrijske robote	1.	Application components for Industrial robots
Robotski transportni sistemi in vozila	2.	Driverless transport systems, driverless vehicles (robotics)
Industrijski roboti (osnovni sistemi)	3.	Industrial robots (basic system)
Aplikacije za industrijske robote	4.	Applications for industrial robots
Mobilni roboti in specialni roboti	5.	Mobile robots and special robots
Storitveni roboti	6.	Service robots
Storitve za robotiko	7.	Services for robotics
Sistemska periferija za robote in nadzor robotov	8.	System periphery for robots and robot controls
Specifične izvedbene aplikacije za industrijske robote	9.	Task-specific applications for industrial robots
Industrijski START-UPi	10.	Industrial START-UP's
Industrijska oskrba/dobava	11.	Industrial supply
Gibanje, pogoni, avtomatizacija	12.	Motion, drive and automation
Raziskave in tehnologija	13.	Research and technology
Založniki, strokovna literatura, revije	14.	Publishers, professional literature
Združenja, društva in nevladne organizacije	15.	Associations, societies and nongovernmental organizations
