

EU goes to PDAC 2024

Questionnaire for the Member States

Please fill in the questionnaire and send it back to Madalina.Ivanica@ec.europa.eu **before 1st December.**

1 – Will your Member State (mining authority, geological survey, other) send material to the EU Member States' booth? (Yes/No)

2 – Which will be the format of the material you will send? (PPT/short video/flyers in PDF)

3 – Will you nominate a representative (mining authority and/or geological survey) to be present at the EU Member States' booth? (Yes/No. If yes, please provide the name and email address of the person if already decided)

4 – In 2024 the EU booth will be re-design to incorporate an auditorium that will allow on the spot presentations. Do you consider using this possibility to make a presentation(s)? (Yes/No)

5 – Do any SMEs¹ in your Member State plan to use the EU SMEs' booth? (Yes/No. If yes, please provide the name and email address of the person who will coordinate SMEs' participation)

6 – Please provide below the name and email address of the contact person in your Member State to follow up on the PDAC 2024 matters.

7 – Do you agree to share the contact details provided above with *Business and Strategies in Europe* (the contractor helping the Commission to organise "EU goes to PDAC 2024"), to follow-up directly with the contact person? (Yes/No)

Thank you very much for your support on this.

¹ Please note that the coordination for the participation of the SMEs has to be done at a MS level (e.g. chambers of commerce). The selection of materials and the number of representatives from SMEs will depend from the demand received. In any case, an effort will be done to accommodate as many participants as possible.
